Basant Thapa's 2022R2 - Report

I thank God for his love and care upon us. In all these month the Lord has blessed us and protected all of us. Please pray for my wife and she is pregnant and in the moth of March I have taken her to her mother at Mizoram. There we have better hospitals for her treatment. I also give thanks to all NCM team and supporters for their help and prayers for the ministry here. Thank you all. In last month we arranged sports for the youth in church and we invited our neighbour. It was an one day program. We organized different types of games. After the game we had a special meetings through which I was able to share God's word to them. In this meeting my wife and sister Uma had led the worship. In last month we had all regular meetings and had cottage meetings at the house of sister Parwati. In this meeting I had invited the students from Global Calling Mission to share the word of God. In the month of February as a family we had visited the place called Chipra where one of our believer is staying. There we had a family prayer and here we are planning to start a new fellowship. Please pray for this place so that the Lord may help us to bring many souls for the Lord. There is a sister named Shanti, she is backsliding because of her husband. Now days she stop coming to church because her husband is a Hindu and he is persecuting her. Her husband is bearing her because of her faith in Christ and she has 3 year old boy. We visit her time to time and praying for her and for her husband. By the grace of God there was no any persecutions so far but the law is against the conversion here. So the people are watching us carefully. So public evangelism is stopped. Please do pray that the Lord may help us to do his ministry effectively.
