One Nation - Half a Million Unreached Villages - One God

Bala Raju's 2021R2 - Report

I am Akkem. Balaraju and my ministry started in the villages of sathakodu chenchu gudem, mutukula chenchu gudem and garladinne chenchu gudem. Those are Tribal areas and the people are illiterate and ill health people. It is a great pleasure for me to serve among them and to tell them the good and the bad

I am so grateful to all of you for extending your support to my ministry. We had financial problems to do the ministry, to fulfill the needs of the family, children needs and their education.

Thank you so much for giving me a wonderful opportunity in the name of Jesus Christ. I thank each and every one who are helping and praying for our ministry in tribal area. My heart felt thanks to you for supporting e to do ministry.
