Report

I greet you in the name of our Lord and savior Jesus Christ. I give thanks to the Lord that He has kept me safe and sound in the last month. I could grow more in faith by prayer, meditating the Word of God and through fasting prayer. The Lord is good at all the time. Physically me and all my family members are doing well. In time of crisis the Lord is providing all our daily needs on time. Financially I was blessed through the support from the NCM. And because of your support I could survive during the time of lock down and may the Lord continue to bless you more and more. Now days as you know that India is imposed lock down. Therefore we are not able to have meeting at church. Thus we are gathering for prayer by online and through conference call. Personally I have been fasting and praying for this village to be saved. Pray for Br. Manga singh, we shared the love of Christ to him. Pray that God may change him and his family. All our church believers are doing well. From last month Br. Harjeet is backsliding from his faith but by God's grace he is growing in the Lord and now he is actively participating in the services. Please pray that God my help him to grow more in the Lord. There is a brother named Soman and he was having stone in his kidney and we prayed for him. Now God healed him completely. Glory to God.
