Dinesh Ghritlahare's 2020R3 - Report

I give thanks to my almighty God who has given me good health and strengthen me when I was weak. My family is doing well. Also the Lord has given us good health. Spiritually the Lord is helping us to prosper by fasting and prayers. I convey my heartfelt thanks to NCM team and all supporters for the financial support and prayers for the ministry. Our God is an amazing God who loved us by sacrificing his life for us. In all these month the Lord has given us blessed family life. From last month we are able to visit our believers and start worship at church. We had regular Sunday services and fasting prayer on every Fridays. The believers are empowered by the infilling of the Holy Spirit. While we were in lock down we were worshiping the Lord through online services and through conference call. I also used to call all the believers personally to encourage them with the Word of God. By the grace of God there were no any persecutions during last month. I thank God for all his blessings. All our believers are very happy in the Lord because they were protected by the Lord from the corona virus. In my village numbers of positive cases are increased but the Lord protected them. Believers were praying and worshiping and growing in the Lord. Two of our believers are facing much struggles. They are staying near to the pond and because of the continues rain the water started to rise but the Lord has arranged some other houses to stay. Now they are financially struggling for their survival.
