One Nation - Half a Million Unreached Villages - One God

Liju Lawrence's 2022R2 - Report

Praise the Lord. I greet you all in the name of our Lord and savior Jesus Christ. As a family we are doing well by God's grace. Personally and as a family we are able to spend more time for prayer and Bible reading. I also take fasting and pray for ministries in three places and for the Gospelisation of India. I give thanks to NCM and to all supporters for helping us financially and praying fore the ministry in India. Thank yo yo all and God bless you. In these days the believers are active in mission. In last month fasting prayer the Lord has touched all of us and every one is encouraged by the Spirit of the Lord. I thank God for filling us once again by the Holy Spirit. In church we had all regular meetings. I do visit the believers personally and help them to grow in spiritually and pray for them. House visiting is done regularly. In last month some of our believers were suffering from sickness and facing some struggles in their lives but through the prayer of the church the Lord has delivered them. Our God is great and he is the strength for the ministry. We are working among the people of RSS and BJP and they are very strong in these days. In all these days the Lord has protected us and kept us safe and sound. Please continually pray for us so that we may able to win many people for the Lord. In the place of Amaravila we serve the Lord among the CSI people and in these days we face some struggle to do the ministry. Please do pray that the Lord may help us to continue the ministry effectively. The history prove that when problems comes the church grows. Thank you.
